PROM NEW YORK. NEW YORK, Feb. 11. The Time's special announces a great cavalry campaign, consisting of an extr-erdinary movement through the Gulf States, as about to take place. Generals Thomas and Wilson are to command the force, which will be ample for the purpose. Montgomery, Selms and Mobile are to be visited, and there will be a co-operation from General Canby. The expedition will start about the middle of next week from Eastport

The opening of the Alabama and Tornbigbee rivers, and the occupation of Selms, Montgomery and Mobile will virtually uplete our military work in the cotton States of the Guif.
The World's Washington special says

peace has been concluded between Spain

and Peru. General Grierson is in Washington Additional arrests have been made by colonel Baker and his officers on charges of fraud in the bounty brokerage business. Baker is now engaged in an investigation for the purpose of accertaining the number of forgod papers that have been made out in this city and Breeklyn, and expects to have this work completed by Monday next.

NEW YORK, Feb. 11.

The Richmond Examiner, of the 8th, says it appears that the enemy still holds his defenses on Hatcher's Run, where he is reported to be heavily intrenched. His movement of cavalry in the direction of Dinwiddie Court House seems to have been planned and executed to give his infantry time to intrench at Hatcher's Run, which they seem to have done very effectually. stters stand the Yankees have extend ed their lines two or three miles but have not advanced them.

Besides the casualties mentioned in Gen Lee's report, we hear that Captain Floyd, of the Florida Brigade, was killed, Colonel Scott, of Florida, painfully wounded, and Captain Young, of General McRae's staff, severely wounded.

The Examiner argues that the present cassion of the South, aroused by the result of the Peace Conference, should be made available kefore it evaporates. It also says there was a report in the city that Charles-ton had been evacuated, but that the War Department had no confirmation of it. General Hood had reached Richmond. Richmond papers, of the 8th, have the

ollowing; PRIERREURG, Feb. 7. There was heavy firing on our right yes-erday and to-day, which resulted favorably to our arms. During a reconnoissance made against Pegram, beyond Hatcher's

vision was made, and the enemy's lines were broken. A running fight was kept up until dark, when the Yankees took iter in their works on Hatcher's Run, from which they were not driven,

General Pegram was killed.

Many of the enemy were killed and ounded, and a few were taken prisoners. Our loss is several hundred. This morning the enemy advanced upon and charged our lines south of Burgess' Mill, but were handsomely repulsed.

In a charge upon the enemy General Sorrell, of Georgie, was painfully wounded.

Very heavy firing was heard late this afternoon in the same direction, but the

cause has not been ascertained. PROBINDIANAPOLIS. INDIANAPOLIS, Peb. 10. A joint resolution ratifying the Constitotional Amendment passed the Senate to-day by a vote of 26 to 2, one Democrat

voting in the affirmative. The House is expected to take action on it to-night. FROM THE ARMY OF THE POTO-NEW YORK, Feb. 11, The Herald's correspondent of the 8th
